My homeland

I was born in Ufa, Bashkortostan. I'm very proud of it. I have been living here almost sixteen years.

Bashkortostan is one of the most important regions in Russia.²¹

First of all, here we have many useful resources. Also, we have many types of animals here. There are the most ancient mountains in Bashkortostan.⁵⁵

Second of all, Bashkortostan was also useful in Second World War. In Sterlitamak people were creating making equipment, bullets, bombs.

We have many heroes of the year from Bashkortostan. Dad of my grandmother is one of them.

Also, in my opinion, Bashkortostan and Tatarstan have the most beautiful nature in the country.

Two years ago I was in Kazan with my family. We used a car. All our trip I was looking out the window. I³⁰ couldn't believe that we have so beautiful nature. I don't understand people who leave from Bashkortostan.

In conclusion, I want to say that I'm proud of myself living ~~in Bashkortostan~~ here.

In Russia we have our own New Zealand. It called Bashkortostan 170
