Dear friend,

I remember you once asking me to tell you about my homeland, so that's exactly what I will do right now. 23

I haven't learned much about my homeland in school yet, but I know that in the past, it had joined Russia and is friends with it up to this day. People even built a monument in celebration! 51

I also know we have some great people, such as Salavat Yulaev, for example. I could be wrong, but I'm pretty sure he helped in one of the wars, with little loss when it came to people under his command. 100

People like Salavat Yulaev are also one of the reasons I like Bashkortostan. Of course, everyone loves their homeland, since it's the place they were born and probably spent most of their lives in, but when you know your heroes, you feel more connected with your home. 147

Now, I hope you enjoyed reading that and learned a bit more about Bashkortostan. Sorry I couldn't write more, I need to go... Hope to hear from you again!

Best regards,

your buddy
