Why my motherland, Bashkortostan, is valuable for me?

Every person in the world has their own motherland. Mine is Bashkortostan. In this essay I will answer the question "Why my motherland, Bashkortostan, is valuable for me?" and express my opinion.

Bashkortostan is valuable for me because of its nature and picturesque. There are many lakes, rivers, mountains, forests situated in this republic. About 100 000 tourists visit lake Yaktykul annually. Bashkortostan is also known for its natural resources. It has oil, gas, golden, silver. My motherland is one of the richest republics in Russia. Many people in the world know Bashkortostan for the river Agidel, the Ural mountains, the lake Yaktykul.

I like my motherland for its culture. I enjoy reading an epic "Ural Batyr", Mustay Karim's books, listening to <sup>national</sup> bashkir songs. I used to dance in bashkir folk team and it helped to express my love to cultural activities. Kuraj is the symbol of bashkir music. I think that everyone in Bashkortostan should know how to play in this instrument. I <sup>also</sup> consider the language as the main value of the republic. Unfortunately, not many youngsters speak in ~~the~~ bashkir language. ~~But~~ However, there are projects that help to save ~~the~~ a treasure of bashkir culture - its language.

One of the reasons of my love to Bashkortostan is people.

Bashkirs are very kind, <sup>and</sup> clever, <sup>brave</sup> nation. They ~~can~~ have Salavat Yulaev as the national hero. He was a strong and brave man who ~~save~~ his nation from Russian occupation. There is also a person in history of Bashkortostan who said that bashkirs should be smart and know how to read and write. His ~~name~~ name is Miftahetdin Akmulla.

My motherland, Bashkortostan, is valuable for me. I am proud of its people, infrastructure, natural diversity. I am planning to stay here and in the future teach my kids to bashkir language.

~~in the future.~~

To conclude, I would like to say that my motherland, Bashkortostan, is valuable for me. I am proud of its people, natural diversity, infrastructure. My plan for the future is to stay here and help at making Bashkir culture popular. Every citizen of Bashkortostan should love their his/her motherland.
