Why my motherland, Bashkortostan, is valuable for me?
I am sure everyone finds countries where they were born very unique and special than any other one. I am not an exception. I find Bashkortostan very different and special, lex I it has a lot of value in my life. To express my personal opinion, I am going to provide a couple of ideas with some examples.

First of all, Bashkortostan is rich with its nature and natural resources, such as minerals, gases, gems and expensive stones. It is all thanks to our huge ~~are~~ mountains like Kustanay, Yungantay, Tonatay, Irandek etc. My motherland is also has a lot of lakes and rivers such as Yakti-Kul, Tulkas, Muldakul, Agidel, Kizil etc, which means we have a lot of fish.

lex
or Second of all, Bashkortostan is not only rich with its natural habitat but also the culture. Bashkir culture includes traditional clothes such as dresses, hats, shoes etc with cultural ornaments, wins and ribbons.

Bashkortostan also has its own language - Bashkir language, it is almost the same as Tatar or Kazakh languages. Not only that, but we have traditional food like bishbarmak, chak-chok, kuruz etc.
