Why my motherland, Bashkortostan,
is valuable for me?

My beautiful motherland is the Republic of Bashkortostan. I am sure everybody loves their motherland and I am not an exception: I love it from bottom of my heart. The motherland, Bashkortostan, is valuable for me because I was born (there), ^{and I} have spent my childhood there. I have many precious memories that I will, certainly, cherish. Now I will provide 2 ideas which support my attitude.

Firstly, I guess I value my motherland because its natural ^{resources} are picturesque and amazing. The village, where I am from, has many landscapes ^{with} of birches and rivers. Their views make me happier every time I see them. That is why I recommend you to visit the Sharan district where ~~is~~ my village is situated in.

Secondly, I like our culture. In my opinion, all monuments we have are special and wonderful. The most favourite one is the monument to Shaimuratov. It is big and exciting. Besides, I adore our theatres. (and) The performances they introduce us are awesome. That is why I think a cultural developing is growing up increasingly.

In conclusion, I would like to say that we should respect and cherish our motherland ^{because} the experience of living here we will never forget about.
