Nowadays the topic of motherland is very important. I think, everybody appreciates their motherland, but struggle to say why is it so valuable for them. My motherland is Bashkortostan and for me it is valuable for many reasons.

Firstly, Bashkortostan is valuable for me because it is the place where I was born. I have my family and friends there and if I move to other city or country I will always consider Bashkortostan as my home.

Secondly, Bashkortostan is valuable for me because of its picturesque landscapes. To my mind, nature in my motherland is one of a kind, it is very beautiful and unique. Also, Bashkortostan is full of natural resources which makes me proud of my motherland.

Thirdly, Bashkortostan is valuable for me because of its cultural merit; my motherland's rich culture is what makes me feel at home wherever I see a Bashkort painting or hear a song. For example, one time when I was on holidays abroad I suddenly heard Bashkort music playing near restaurant. Even though I was far away from my motherland, the music made me think about my home.

In conclusion, my motherland is valuable for me in many ways. It is my home, and I am proud of its nature and cultural merit.
