Answer sheet 8-9

Акмуллинская олимпиада по английскому языку 2024

Variant 1

Hello, my dear friend from abroad. I'm very glad to hear from you again! I'll tell you about my homeland Bashkortostan or Bashkinia for short.

At first, I'd like to say that I love this place for its nature. In Bashkortostan we have fresh air, there is almost no polluted water and always clean streets. In spring our lands are covered with green grass and growing flowers. In summer the weather is very hot and we can go swimming in warm Ufa river. Bashkinian villages are quiet and always have a lot of harvest. Also, I love my homeland for its kind and friendly people. I have a lot of Bashkinian friends, they are very cheerful and caring. You can easily communicate with everyone here.

There are a lot of interesting facts about Bashkortostan. I bet you didn't know that Salavat Yulaev is a national hero who fought for Bashkirs' freedom. But he was tortured and died because of the injuries. Also I can tell you about our attractions in Bashkinia. For example, we have a statue that's called "The Friendship Monument". Its meaning is that Russians and Bashkirs are living together in peace.

That's all I wanted to say about my homeland. Write back soon.
