## Writing

Nowadays, it is popular to develop patriotic thinking and many people are wondering why do they love their motherland. I will try to share my reasons.

Bashkortostan is very valuable for me for several reasons. Firstly, it is full of different natural resources. Bashkirs have a lot of rivers, for example, Belaya which is situated in Ufa and Agidel; lakes, for instance, Tyi. They are great resources for locals. Lakes and rivers are full of clean water. My relatives, friends, surroundings and I love swimming there every summer. We get a real pleasure and there is no need to go abroad.

Secondly, Bashkortostan has such a great culture. There are plenty of world-known people who made our region famous. For example, dancer of ballet Rudolf Nuriyev, who was famous not only in Russia but also in the whole world. He had a great cultural impact.

The last but not least is our language. It is not complicated, it does not have difficult structures, it is easy to remember words but it has such a beautiful pronunciation which is like sweet Bashkort honey. I speak Bashkort language with my friends, and we like enjoy listening Bashkort songs.

To sum it up, I would like to say that Bashkortostan is one of the best regions with its wonderful views, culture and language.
