Why my motherland, Bashkortostan, is
valuable for me?

There is no doubt that Motherland plays an important role in everyone's life. But why my motherland, Bashkortostan, is valuable for me? Now I am going to give you some reasons.

Firstly, Bashkortostan is the place where I was born and ^{where I} grew up. Every place and every ground is dear to my heart as they remind me of my childhood, happy and sad moments, my friends and family.

Secondly, my motherland is rich with natural and cultural sights. There are a lot of magnificent waterfalls, mountains, lakes and rivers, for example, the mountain Yamantay, Gadulsha waterfall, lake Takhov and so on. Besides, there are lots of historical landmarks, such as a monument to Sabanal Gulayev in Ufa, a museum to Mazit Gafuri. Also Bashkortostan is well-known for its history. A lot of historical events took place here.

And last but not least, my motherland, Bashkortostan, is valuable for me because of the people that live here. Surely, my family and friends are the closest people to me as I can tell them my secrets, show my emotions, express my feelings. However, ^{most of the} people that live in my Motherland are really good too. They are ~~keep~~ kind and hospitable. They will always come to help.

In conclusion, I would like to say that Bashkortostan takes a special place in my heart.

~~No matter~~ ~~in~~ ~~wherever~~ I will always remember ~~it~~ and miss it no matter where I will go.
