Hello Barbara,

Thank you for your letter, I enjoyed reading it. I will try my best to answer your questions.

Usually, I don't have a lot of spare time on spring and winter holidays, because my family tries to visit our distant relatives on every chance we get. To be honest I don't mind it at all.

But summer is different, I can walk with my friends all day, play games at night without worrying about my sleep schedule or even go to the camp.

I don't like spending holidays at home because I feel like I haven't relaxed at all. Also I can't remember any fun moments if I stay at home.

Best wishes,

Vanya.
