## ANSWER SHEET

In the ~~modern world~~, ~~more and more people are moving to the cities~~. The aim of my project is to analyze what advantages of living in a city people find ~~the~~ most appealing. As a part of my project, I have found the table with the relevant results on the subject of the project. In this essay, I am going to comment on it and express my own opinion on life in a big city. 61

As it can be seen from the table, the most popular answer ~~is~~ on the question of advantages of living in a city is "Better opportunities for work and study" chosen by 36% of respondents. The second most popular option is "Having all the modern conveniences" (26%), followed closely by "Various entertainment and events" (22%). 115

Predictably, ~~the~~ the answer "Better opportunities for work and study" is more popular than "Various entertainment and events". The difference makes up 14%. It is quite evident as people ~~for~~ it is natural for people to prioritize their studies and career that are crucial for their future. Therefore, they neglect entertainment ~~connected~~ -connected activities that ~~will~~ <sup>would</sup> not serve them any help in long-term. 173

One problem ~~there are some problems~~ that can arise with living in a city is ~~one of them~~ for example, spending too much time in a traffic jam. This problem ~~should not be neglected~~ <sup>can</sup> as it eventually lead to exhaustion and ~~frustration and even burnout~~. To solve this problem, it is recommended to ~~use~~ <sup>use</sup> give preference to the public transport. In contrast with private cars, they usually have their own lines on the roads, trams <sup>and</sup> buses ~~and trams~~ have bigger lines their own, bigger <sup>on the roads</sup> sections on the roads, that ~~allows~~ <sup>allows</sup> them to ~~skip~~ skip traffic congestions. that make them a more comfortable option in times of a traffic jam.

In conclusion, I believe that life in a big city is a ~~nice and~~ valuable experience that allows people to broaden their horizons.
